

Equipment Damage Fee. If the Corporation's facilities or equipment have been damaged by tampering, by-passing, installing unauthorized taps, reconnecting service without authority, or other service diversion, a fee shall be charged equal to the actual costs for all labor, material, and equipment necessary for repair, replacement, and other Corporation actions.

Meter Test Fee. The Corporation shall test a Member's meter upon written request of the Member. The first test is free of charge. Any Member requesting additional meter tests after the Corporation has proved the meter is functioning adequately a fee of \$50 will be assessed to the account holding Member.

Customer Service Inspection Fee. There is no fee for each applicant before permanent continuous service is provided to new construction. However, if the Corporation deems it necessary to perform a second inspection for suspicion of non-compliance, there will be a \$25 fee assessed to the account holding Member.

Only **ONE METER PER RESIDENCE** is permitted. If you have two or more residences tied to one meter you are in Violation of State Law.
